The 2017 Greater Renton Tukwila Youth Soccer Association (GRTYSA) 6-A-Side Tournament was held on Saturday, July 22, 2017 at the large grass field on the west side of Renton High School in downtown Renton. This was the 32nd annual 6-A-Side tournament, and is the primary fundraising activity for GRTYSA and its Southlake Select Soccer program. The main focus of the 6-A-Side tournament was for players and families to have fun, hence the fast-paced, 6v6 game format and scheduling the tournament to coincide with Renton River Days festivities. By this measure, the 6-A-Side was a success and was also a good fundraiser for our club. No sponsor was provided by Renton River Days this year, but sponsorship money was received from T-Mobile.

A total of 65 teams registered for the tournament, but with one no-show at BU13/14, a total of 64 teams actually participated, 42 boys and 22 girls teams. All teams were from the state of Washington, except for 2 teams that were from Oregon.

Teams were organized into 9 different brackets, AA through G, with adjacent age groups pooled into the same group. There were sufficient teams to make a bracket for all age groups from U7-U16 except for GU15/16. The large grass field was divided into 6 soccer pitches, 2 of which were MOD-sized fields for U7-U8 and U9-10 games.

Games started at 9 AM and ran continuously until the last championship game concluded at 5:30 PM. All games were 15 minutes in length, 2 7-minute halves and a 1-minute halftime.

Champions were determined in all age groups except U7-U8 and U9-10, with preliminary group play consisting of a minimum of 3 games (4 for U9/U10), followed by an elimination round that in some cases included both semifinal matches and a championship match, as proscribed by the 6-A-Side tournament rules. Championship awards included trophies for first and second place and individual medals for all of the finalists. All players received 2017 6-A-Side tournament participation pins.

The quality of play reflected good sportsmanship, with no significant incidents of unsporting behavior or referee abuse. No cards were reported by Mark Sheflo, 6-A-Side tournament referee assignor.

The following table summarizes the results of the tournament:

Group	Age/Gender	Number of Teams	Champion	Runner-Up
AA	Boys U7-8	4	None	None
