

GRTYSA/Southlake Soccer

2018-2019 Soccer Birth Year Registration

USSF (United States Soccer Federation) has mandated player development initiatives starting fall 2017. Here are the basics in regards to the birth year initiative:

- Organizing youth born in the same year to play at the same age group simplifies and standardizes soccer structure across the nation.
- Coaches do have the option to “play up” in order to keep their team together. This will be a coach decision.
- Having players train and play according to their age and developmental stage supports the objectives of the small sided standards by focusing on the physiological and developmental needs of the player.
